

# CABIN CLEAN UP & INSPECTION

## Clothesline

Has clothing hanging neatly and not touching the ground, dry clothing has been removed, wet items are not hanging on the porch or inside the cabin.

## Porch

Porch and stairs are swept clean, shoes are lined up and out of the way, decorations are neatly hung, there are no clothes or towels hanging on rails or chairs.

## Around Cabin

Free of trash, shoes, clothing, equipment, etc.

## Lights

Must be turned off in an effort to conserve energy.

## Beds

Should be made as neatly as possible with sheets, blankets, covers tucked in and sleeping bags zipped up.

## Cubbies

Should be neat with folded clothes and nothing hanging out.

## Floor

Neatly swept and nothing is in evidence to provide a tripping hazard. Anything on the floor is neat and tidy and out of the way. Items are not stuffed under the bed.

## Bathroom

Generally clean and smells good with a swept floor and clean, flushed toilets.

## Sink

Clean and free of toothpaste, soap, etc.

## Shower

Clean with the curtain pulled closed. Any toiletries are neat and tidy and out of the way.

## Trash

Has been emptied into a bag and taken to the area trash can located close to the cabin. Area trash can has been emptied and brought to the dumpster. This can be a shared task with neighboring cabins.
